Honorable William H. Webster
Director, Central Intelligence Agency
Washington, D.C. 20505

Dear Judge Webster:

The Department of Energy will be conducting a seminar, March 8-10, 1988, entitled "Nuclear Threat Awareness." The seminar, which has been presented since 1984, is designed to be responsive to Intelligence Community information needs by providing an overview for the non-technical analyst of indicators that an adversary may be targeting a nuclear facility or may be gaining a nuclear capability.

We would very much like to invite Mr. Charles Allen, the National Intelligence Officer for Counterterrorism, to give the keynote speech. It would be appreciated very much if Mr. Allen could be made available to give the keynote address on March 8, 1988, at 9:30 a.m. The seminar will be held at DOE Headquarters, Forrestal Building, 1000 Independence Avenue, S.W., Washington, D.C. The audience will be cleared at the Secret, Formerly Restricted Data level. If you find this proposal agreeable, please ask Mr. Allen to contact me at 586-2610.

Sincerely,

A handwritten signature in dark ink, appearing to read "Robert J. Walsh", is written over the typed name.
